Hospitality Homes matches out-of-town patients and their families with free and low-cost, short-term housing in volunteer host homes and donated apartments during their medical treatment. On our 40th anniversary we celebrate our patients and families we have served of all ages, backgrounds and conditions from all over New England, the country and the world, enabling them to receive care without the emotional and financial burden of finding and paying for housing. The Annual Golf Classic is our largest annual fundraising event to support patients and their families and is even more vital as we face the continued and growing need for our services.
